IMPORTANT FORMS

As part of the registration process, all students attending Summit must fill out these release forms.

Click on each form name below to access that form.

1. [Sugar Creek Students Release Form](#). This is the release form for Sugar Creek Students. This form should be completed at the time of registration, but deadline is May 18, 2025.
2. [Medication Check-in Form](#). This form is for students that need medication while at the event. More information about this form is listed under “Medication”. If a student is not bringing medication, this form is not needed.

MEDICATION

All prescription and non-prescription medication will be administered by our Camp Nurse and will need to be registered at check-in. All medications need to be in the original bottle with only the quantity needed and placed in a sandwich size, clear zip lock bag. The medication and medication form will need to be turned to the Camp Nurse at check-in on the day of the event. Any student found in possession of medication that was not checked-in (prescribed or unprescribed) could be sent home immediately.

MEALS & MERCH

Everyone attending Summit will need to eat lunch before arriving at check-in on Monday. While we are at Summit, students will need money for lunch on Wednesday; we recommend bringing \$30. During registration, students can order an add-on merch bundle if they wish but it’s important to note that shirts are first come, first serve and while supplies and sizes are available. If students wish to purchase any additional food, snacks, or other Student Ministry merch, they will need additional spending money. Pro-tip: If you are sending additional money with your student, consider sending them with a pre-paid Visa, Mastercard, or American Express card and write their name on it. We will accept card payments while at camp and pre-paid cards will help students not lose their spending money. Please note, however, that students will not be able to use third-party bank apps like CashApp, Venmo, Zelle, and PayPal to purchase merch while at camp.

BREAKOUT A DESCRIPTIONS:

A1. Sharing Your Faith

In this breakout you will learn how to share your faith with love, confidence, and humility. Learning to balance boldness in faith with compassion, avoiding arguments while lovingly guiding others toward Christ.

A2. The History of The Bible

Understanding history deepens our faith and provides greater appreciation for the Bible's reliability and its role in shaping the world.

A3. Personality – Who Am I?

In this breakout you will learn about different personality types, strengths, and challenges while examining how your identity is rooted in Christ rather than personal traits alone. God can use our unique qualities for His purpose, you will gain confidence in who you are and how you can serve Him effectively.

BREAKOUT B DESCRIPTIONS:

B1. Christian Dating

In this breakout you will learn about dating from a Christian perspective, that focuses on building relationships that honor God. We explore the biblical foundation of love, commitment, and purity, along with the qualities and traits that contribute to a healthy, Christ-centered relationship. How to set boundaries, communicate effectively, and seek God's direction in relationships.

B2. Science & Faith

In this breakout you will examine your faith and learn how scientific discovery works together rather than against each other. You will study key scientific principles while discussing how they align with biblical truth, God's design in creation, and the role of faith in scientific exploration. Viewing science to understand and glorify God's creation.

B3. How to Start a Bible Study?

In this breakout, you will learn how to be a Christ-centered leader at school through standing firm in biblical values and influencing peers through love and humility. You will learn practical steps to start a Bible study, including gathering support, choosing study materials, and creating a welcoming environment for discussion. By developing leadership skills and a heart for discipleship, you will be equipped to make a lasting spiritual impact in your school community.

BREAKOUT C DESCRIPTIONS:

C1. Growing your Prayer Life

In this breakout, you will learn about creating a dedicated space for connecting with God through prayer, worship, and reflection. Learning how to cultivate a deeper relationship with God by making prayer a daily habit, seeking His guidance, and surrendering your life to Him. Through consistent prayer and intentional faith, you will be encouraged to walk closely with God and impact others through a Christ-centered life.

C2. Fresh Start

In this breakout, you will learn about God's promises, the role of the Holy Spirit, and how to overcome doubts with biblical truth. Spiritual growth, the evidence of a transformed life, and trusting in God's grace rather than personal performance. By deepening your understanding of faith, you will gain lasting confidence in your identity in Christ and His unchanging love.

C3. Q & A

In this breakout, you can ask anything about God, understanding your faith, and influencing the future, etc.

SUNRISE BAPTISMS

Students can be baptized at camp with the permission of their parents/guardians after attending a baptism class offered at camp. Parents and families are invited to attend this meaningful service, scheduled for the last day of camp at 6:30 am. Christian baptism involves immersing a believer in water and invoking the names of the Father, the Son, and the Holy Spirit. This profound act of obedience symbolizes the believer's unwavering faith in a crucified, buried, and risen Savior, representing their departure from sin, the burial of the old life, and the resurrection to walk in the newness of life in Christ Jesus. Additionally, it serves as a compelling testimony to one's belief in the ultimate resurrection of the dead.

EVENT SCHOLARSHIPS

We understand that asking for help in difficult times can be hard, but we don't want finances to be a reason a student can't attend Summit. If you are in need of a scholarship, [click here](#) to access our scholarship request form. We do have a limited number of scholarships so please be mindful of others who may have a greater need for financial assistance.
